Company Announcement on Thien Long An Thinh Investment Joint Stock Company – a major Shareholder of Thien Long Group Corporation

Ho Chi Minh City, 4th December, 2025 – Thien Long Group Corporation (TLG) would like to provide an update to our shareholders, investors, partners, and employees regarding Thien Long An Thinh Investment JSC (TLAT), the largest shareholder holding 46.82% of TLG's charter capital.

According to the Resolution of the Board of Directors of Thien Long Group Corporation No. 27/2025/NQ – HĐQT dated 4th December 2025, which recorded the official notice from TLAT's Board of Directors, we hereby inform that TLAT's shareholders are currently engaged in negotiations, finalization and execution of a potential transaction with KOKUYO Group – a leading Japanese corporation in stationery and office furniture – to transfer of all shares in TLAT owned by the shareholders of TLAT to KOKUYO.

Also as informed by TLAT's Board of Directors, KOKUYO is also expected to conduct a public tender offer for up to 18.19% of TLG's outstanding shares in accordance with Vietnamese law, aiming to acquire a total ownership stake of about 65.01% of TLG.

At this stage, the above developments have no direct impact on TLG's day-to-day business operations. All business units continue to operate normally and stably. During this period, we remain focused on ensuring product quality, service standards, and operational efficiency - the foundations that have shaped TLG's reputation in the stationery industry for almost 45 years.

Information related to the proposed transactions is subject to further steps between the parties involved. TLG will receive and update information prudently, based on official notifications from our major shareholder, TLAT.

Alongside maintaining operational stability, the Company believes that the potential participation of KOKUYO, a reputable international partner from Japan, could unlock greater synergies in research, design, and product innovation for both domestic and international markets, in line with TLG's global "Glocalization" strategy. With over a century of expertise in stationery and business solutions and a robust global presence, KOKUYO is a trusted leader in the industry. In Vietnam, KOKUYO offers products under the Campus brand and has been a partner of TLG, collaborating on Original Equipment Manufacturing (OEM) projects to meet KOKUYO's design and quality standards.

For employees, customers, and partners, the Company does not expect any material changes to personnel and policies at this time. We encourage all stakeholders to remain confident, as our operations continue as planned.

The Company will continue to provide transparent and timely updates in compliance with applicable laws, ensuring the legitimate interests of shareholders and stakeholders throughout this process. We sincerely appreciate your trust and continued support.
